SOLAR PATH & WALL LIGHTS

Vi har ett stort utbud av gång-, vägg- och fasadbelysning. Ju högre lumen desto starkare ljusstyrka. Samtliga solcellslampor drivs av en solpanel som omvandlar solljus till el via ett uppladdningsbart batteri, miljösamt och ekonomiskt. Finns i olika material och med olika tekniska funktioner.

We offer a wide range of lighting for paths, walls, and facades. The higher the lumen, the brighter the light. All solar lamps are powered by solar panels that converts sunlight into electricity via a rechargeable battery good for the environment and good for your budget! Available in various materials and with different technical functions.

Wir haben eine große Auswahl an Flur-, Wand- und Fassadenbeleuchtung. Je höher der Lumen-Wert, desto stärker die Beleuchtung. Alle Solarlampen werden von einem Solarmodul gespeist, das Sonnenlicht über eine wiederaufladbare Batterie in Strom umwandelt umweltfreundlich und wirtschaftlich. Erhältlich in verschiedenen Materialien und mit verschiedenen technischen Funktionen.
